Stereo including 4 tower speakers, three amps, two marine commanders and 12" costume build sup. 285 hours. 4 Factory ballast tanks and 2 after market ballast tanks. Power wedge, Maliview, Bimini Top and cover. This is the ultimate wake/surf boat.

The largest wake in the Malibu line that has been described as "perfectly sculpted." Riders rave about the well defined peaks.

This is a big boat for her class and one review even referred to the 247 as the "Clydesdale" of the fleet. She is big, comfortable, with seating for up to 16 passengers, well laid out with the features and accessories that one expects from a boat of this caliber.

The wraparound-style lounge and playpen bow. Storage underneath every lounge seat pairs with 44 cubic feet of rear locking storage and 47 cubic feet of combined space in the bow, locker and observer areas to create more than enough room for 16 people's gear. Thanks to details like the Italian Isotta steering wheel and pervasive theater-style LED lighting, every inch of that unbelievable space drips sophistication.

The side panel is typically an afterthought in a boat. It's a necessity, so most companies throw in a few cup holders and call it good. Malibu's offers stainless steel cup holders, stainless steel grab handles, a 12-volt power point, LED lit Wakesetter shields. Every inch of this boat is ready for fun. The bow even transforms into a playpen with the addition of the removable filler cushion.

Grab 15 of your friends and get ready to launch of the "perfect" wake!
