The newer model Yanmar 3GM 30-hp runs great and will really motor this vessel nicely. There is a Genoa, a spare jib, and storm jib, all reported to be in good shape. Also comes with Garmin GPS, Raytheon autopilot, Hummingbird depthfinder, and VHF radio. She draws 4' and the original swing keel was sealed up permanently. The galley has a 2-burner propane stove, sink, and ice box. The enclosed marine head has a shower and a new 15 gallon holding tank. She has a nice stout mast with mast steps all the way up, and comes with wheel steering and swim ladder.

Keel Fin

Engine 1

Engine/Fuel Type Diesel
