This vessel is offered subject to prior sale, price change, or withdrawal without notice.

**Manufacturer Provided Description**

Before the Silverton 322 Motor Yacht, finding two private staterooms and two private heads - one with a full stall shower - in a 32-footer would have been difficult. Silverton has created space that never existed before by incorporating the innovative ?SideWalk? of the 322. By moving the salon out to the gunnels, the interior becomes much larger. The foredeck access is excellent with the wide, molded steps and sturdy rails. A high toe kick makes moving around safe and easy whether handling a line or setting the anchor. Aft, is a wide open aft deck with molded steps, not only up to the bridge, but also down to the extra-wide swim platform which comes complete with a swim ladder, transom shower, and cord storage.
