● 2012 ● 14.33 m ● 2

Introducing the newest flagship of Mainship's next generation of trawlers! The 479 Trawler brings an entirely different twist to the trawler lifestyle - you can cruise with the efficiency of a traditional trawler or sprint to your destination like a modern express. The aft cockpit and extended bridgedeck of the 479 Trawler provide the perfect places to entertain, with a summer kitchen for grilling out alfresco style. The 479 Trawler's interior has been redesigned and upgraded from its 43 predecessor to truly spoil a couple in the master stateroom with room for more in the guest cabin; all this with a new expanded two head layout. Add to this all the amenities needed to fit your onboard demands - the 479 Trawler is sure to satisfy the discriminating cruising couple! This boat is an example meant as a guideline. Your model can be customized to your individual taste.

Price includes Commissioning in Beaufort, NC and North Carolina sales tax*. (*Includes \$1500 sales tax, which is the maximum tax on new boats in NC)

Comments / Other

Mainship is part of the Luhrs Marine Group and is one of the largest independent boat builders in the world. Therefore able to take advantage of volume buying for production materials, in addition to incorporating the efficiencies of production and computer-aided building processes. Mainship also has the distinction of Superior value and quality cruising boats from 35' to 45', that are built to meet the needs of the people who own them are the reasons Mainship is number one. This boat is an example meant as a guideline. Your model can be customized to your individual taste. (*Includes \$1500 sales tax, which is the maximum tax on new boats in NC)
