Key Features & Upgrades

General Description

- This 2005 Azimut 46 "Evolution" features many upgrades and improvements over the previous model years.
- Among these are updated interior styling, externally mirrored windows, and a more ergonomic interior pilot console. A fast and seaworthy vessel, she features the highly coveted Caterpillar C-9 6 Liter engines, each producing 510HP. The V-shape hull with 18 degrees AFT deadrise ensures a smooth and dry ride. Her top speed is 30 knots at half load.
- Noteworthy additional equipment: Bow thruster, Stern thruster, "Yacht controller" wireless radio control for both engines and bow and stern thrusters, washer/dryer, new offshore life raft, passerelle (hydraulic/telescoping boarding gangway which doubles as a crane for a dinghy.)
