Amazing layout for a 38 footer, both inside and out! This was a very popular model for Silverton and the owners have been delighted with the boat from the day they took delivery. Life moves on, however, and they are reluctantly offering both the boat and their premium slip at the luxurious Longboat Key Club for sale. The slip is listed separately - Please contact me for additional information.

August, 2012 - Originally on the market for \$269,000, now reduced to \$209,000 - Owners are getting anxious to sell!

Accommodations

The spacious, open interior features a large master stateroom forward with queen island berth, inner spring mattress, under berth drawers & storage, 2 cedar lined hanging lockers, flat screen TV/DVD, reading lights, opening portlights, overhead hatch and private entrance to head and separate shower room.

Aft to port is the guest stateroom with 2 single berths that convert into a full size berth, cedar lined hanging locker, two storage lockers, three drawers, opening portlight and entrance to the stall shower.

The head compartment is aft of the master stateroom, to starboard, and features an electric VacuFlush head, Corian counter top with molded in sink and access from both the master stateroom and the companionway. To port, between the master and the guest staterooms, is a stall shower compartment that is accessible directly from both cabins.

Aft and up to the open galley to starboard, followed by an Ultra Leather sofa which electrically folds out to make a double berth. To port is a large, raised dinette, followed by the entertainment center with a 20" flatscreen TV with Bose CD/DVD surround sound system. The interior wood is cherry and the sole is carpeted, with canvas covers. The salon also features a large windshield, side windows and a stylish curved sliding glass door to the cockpit giving the interior a very open and bright feeling.

Galley

The open galley is forward, to starboard and features Corian counter tops, Sharp Carousel convection/microwave oven (new), Princess glass top two burner electric stove, Nova Kool AC/DC side-by-side refrigerator/freezer, large SS sink with Corian cover, single lever faucet with pull-out sprayer and hot and cold pressure water system.
