56 - Princess For Sale Exceptional example of this popular Princess 56 model. Last out of the water in March this year (2016) in which the engines were serviced, anodes changed along with anti fouling and also new upholstery in interior fitted. Very well looked after with extremely low engine hours with well sought after berth in Puerto Banus also available. TAX paid on Spanish flag. The Princess which is presently docked in Puerto Banus, is for sale, and if you would like further information including a brochure with detailed specification about the 56 Princess, please simply include your email in the box on the right and one of our representatives who are experts in all yachts for sale in Puerto Banus, will be in touch shortly.
