Engine Features & Benefits:

SMOOTH, POWERFUL AND FUEL EFFICIENT

Buying a mid-range Mariner FourStroke means you're buying more because our 50 and 60hp motors also feature proven electronic fuel injection which offers renowned fuel efficiency and smooth, quiet operation. For added durability and push, Command Thrust models feature taller gearcases and 33% larger components. Just the job for bigger boats. These outboards are SmartCraft-ready and are equipped with turn-key starting for fast and reliable ignition. Never has Mariner dependability looked or sounded so good.

Performance

Inherent FourStroke characteristics include quiet, smooth operation and exceptional idling.

40% better fuel economy than comparable 2-stroke models.

Integral power trim adjusts boat's attitude for improved boat handling under a variety of speeds and water conditions.

5-Year Warranty

Five-year limited non-declining, factory-backed. Conditions and exclusions apply.* Not applicable for commercial and racing applications.

Two-year limited commercial warranty.

Running Quality

EFI models offer turn-key starting and instantaneous throttle response in all types of atmospheric conditions.

Low-noise combustion process and sound-dampening cowls for extremely smooth and quiet operation.

Reliability

Designed for strength and durability.

Corrosion resistant.

Stainless steel driveshaft, shift shaft, prop shaft, water pump housings and power head fasteners.

Technology

SmartCraft technology with Engine Guardian System; monitors engine functions and alerts you to possible engine problems.
