The Strider 15 reflects the sporty spirit of its owner with extraordinary performance.It offers the convenience and security typical of a maxi rib and at the same time shows its refined elegance through materials, fixtures, fittings and finishes of the highest quality. The size of the cockpit and the extension of the deck are unexpected and represent the perfect balance between indoor and outdoor space.The lower deck with two double berths and a ceiling height of 6’6” promises a comfortable environment. Designed to cover long distances at high speed, the Strider 15 guarantees you will discover new horizons.Raymarine GPS Raymarine radar Compas Raymarine VHF Sound system Microwave oven Leather salon 50 lt. fridge Electric marine toilet Bow thruster Onan generator Shore power inlet Battery charger General switchboard panel Gangway Teak deck floor Swimming ladder platform Cockpit bar with sink and 70 lt. fridge / freezer Twin massive teak cockpit table
