Still one of the best values on the market! '13 Moomba Outback V w/330hp Indmar and custom Boatmate trailer. In addition to the standard equipment(like EFI, catalytic convertors, OZ tower, stereo, and more), we added the black accent gel color, pop up cleats, mooring covers, Digital Cruise Pro & wakeplate, depth finder, rear tow pylon(great for towing tubes), spare tire & swing tongue. A well equipped boat without going overboard and blowing the budget. Cross over to having it all under budget. The Outback V is the ultimate water sports crossover that will not go over your budget. This feature-packed v-drive helps you water ski, wakeboard and wakesurf without breaking the bank. It also accommodates like a champ with roomy social seating for 12, a walk-through open bow, bottomless storage, tons of cup holders and a Sony sound system. The whole crew will want to come along for a pull behind this one. Whether they want to lean into some slalom, flip for riding or curl-up in a wave, the Outback V delivers. Add the Multisport wakeplate to fine tune your wakes for all water sports disciplines, at any speed or line length. Rope the Oz Tower and wakeboard. And when your energy is spent, drive it. This compact performer handles like a dream with an aggressive running surface that slices through chop even on a rough day. The Outback V is even easy to tow and store at a manageable 20 feet long.
