The new 18- and 20-series LS and SS Capri models feature Clearview II wraparound windshields offering uninterrupted visibility and stylish good looks. Bayliner subjects everything from gelcoats to carpeting to extreme climate exposure and stress testing far beyond the limits of normal use. The biggest test comes when the hull meets the water the prototypes are put through grueling performance, handling and endurance trials. Hull strength, ride characteristics, fuel efficiency, engine performance and more are all scientifically evaluated. The new hull design significantly increases interior space for increased comfort and storage room as well as a more stable ride. An advanced new stringer system provides greater hull strength and rigidity without increased weight. CAPRI LS & SS SERIES: Stylish, high-spirited and extremely comfortable, Capri bowriders deliver family fun. Easy to tow, launch and operate, each Capri LS & SS model comes with an array of standard features, including richly upholstered adjustable lounge seats, cassette stereo, custom convertible top and bow well cover and a variety of quick, responsive power options by Mercury Marine.
