Description Location: Marrero, LA, US The revolutionary design of the MAKO® Pro Skiff 17 has made it one of the most popular boats in MAKO history. The Advanced Inverted V (AIV) hull provides the ultimate in smooth performance, plus a quick holeshoot, a dry ride and nimble handling and turning. It's ideal for all types of inshore fishing, and the nearly 3/4-ton capacity makes it one of the hardest working boats in its class. The deck and foam-filled hull are mechanically and chemically bonded to become one unitized structure with superior flotation and quiet operation. And it comes standard with a hot-dipped galvanized trailer, a Mercury® outboard and our superior MAKO Assurance warranty. * Mercury 60 four stroke * Bimini top * Bow casting seat base * Stainless Propeller * Backed by the MAKO® Assurance?the best warranty in the business * Advanced Inverted V (AIV) hull w/integrated anti-spray design for a smooth, stable & dry ride * 100% composite construction for a lifetime of rugged durability * 1-piece fiberglass stringer system w/gelcoat finish & fully injected, closed-cell foam flotation * Bow & aft molded raised casting decks w/non-skid surfaces & storage beneath * Closed storage in bow console & 10-gal. (38 L) aerated baitwell in aft deck w/adjustable aerator & overflow * Center console w/5 vertical rod holders, acrylic windscreen, stainless steel grab rail, navigation lights, space for mounting optional electronics & below-console storage * Forward console seat w/molded-in grab handles & 8-gal. (30 L) cooler * MAKO®-exclusive removable 85-qt. (80 L) foam-filled helm seat/cooler w/superior ice-keeping ability * Custom-matched hot-dipped galvanized trailer w/SureLube hubs Additional Specs * Length:17' 4" * Beam: 6' 8" * Bottom width: 5' 3" * Max. recommended HP: 60 HP * Fuel capacity: 6.6 gal. * Max. person capacity: 6 persons * Max. person weight: 850 lbs. * Max. weight capacity : 1400 lbs. * Cockpit depth: 18" * Transom height at center line: 20" * Draft: 8" * Approx. hull weight: 950 lbs. * Approx. package weight: 1849 lbs. * Package height: 6' 8" * Storage length: 22' 4" Standard Features Comfort, Convenience & Peace of Mind * Backed by the MAKO® Assurance?the best warranty in the business * NMMA Certified * Factory leak tested for hull, plumbing & fitting integrity * Stainless steel hardware & fasteners for corrosion resistance * Horn Console * Single-cable, no-feedback rotary steering * Molded center console w/integrated 8-gal. (30 L) cooler, molded-in grab handles, w/hinged padded seat cushion & back * Contoured acrylic windscreen * Tachometer * Flush-mount electronics mounting surface *

Panel-mounted control box w/power trim * Stainless steel grab rail w/side-mounted navigation lights * Drink holder * 5 vertical flush-mounted rod holders * Under-console storage area Construction & Exterior * 100% composite construction * Encapsulated, fiberglass-infused transom w/high-density Coosa® Bluewater composite core * Molded, patterned non-skid casting platforms & cockpit sole * Console chemically bonded & mechanically fastened to deck w/ .25" (.6 cm) aluminum backing plates * Closed-cavity, closed-cell, foam-injected hull & deck system chemically bonded & mechanically fastened w/stainless steel fasteners for strength & durability * Marine-grade stainless steel hardware & fasteners throughout * Composite seat substrates * Heavy-duty rub rail * MAKO® White gelcoat Electrical, Mechanical & Plumbing Systems * 500 GPH (1,893 LPH) baitwell pump w/adjustable spray head * 1,000 GPH (3,785 LPH) bilge pump * High-speed baitwell water pickup * Portable 6.6-gal. (25 L) fuel tank w/hold-down strap * Interstate® cranking battery w/tray * Marine-grade rocker switches w/push button breaker protection * Marine-grade tinned wiring w/submersible connectors * USCG-compliant navigation lights * 12V outlet Hardware & Accessories * 4 stainless steel cleats * Reboarding step & stainless steel grab handle * Stainless steel bow & stern eyes Interior * Raised, closed-molded bow fishing platform w/patterned non-skid surface & closed storage compartment * MAKO®-exclusive rotomolded removable 85-qt. (80 L) foam-filled helm seat/cooler w/superior ice-keeping ability * Raised aft fishing platform (closed-molded) w/patterned non-skid surface & open storage space below * 10-gal. (38 L) aft baitwell w/adjustable aerator & overflow * 360° fishability * 2-tone high-density marine-grade vinyl upholstery w/stain-resistant coating & composite substrates on seats Performance * Award-winning Advanced Inverted V (AIV) hull design for superb load-carrying abilities & a smoother, drier ride in choppy waters * Integrated anti-spray hull design * Factory-rigged w/matched propeller Trailer * Custom single-axle trailer * All-welded, tubular frame for a unitized structure w/exceptional strength-to-weight ratio * Hot-dipped galvanized construction * Hot-dipped galvanized wheels w/13" (33 cm) radial tires * Super Lube hubs * Leaf spring suspension * Swing-up locking jack w/swivel wheel * Heavy-duty winch w/nylon strap & safety strap * Outboard motor support to reduce hull & transom stress while towing * 4 carpeted bunks to protect hull * Transom tie-down straps * Safety chains Disclaimer The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel.
