The baby of the bunch, The Seapro 2m rollup is a super compact, super buoyant little craft, easy to deploy and a piece of cake the roll away after use. It will get you out on the water with the minimum of fuss whether you're using it as a tender or as a little escape onto the water from a hectic life. All Seapro boats are made from German fabric making them future proof, tough and functional.

Buy the best, buy seapro!

RRP £538
