Elegant classic handcrafted Vicem 55 with timeless design combined with latest cutting edge technologies Easy to manoeuvre and maintain and presented in fantastic condition throughout.

FURTHER BROKER'S COMMENTS:

Mahogany glass epoxy handcrafted hull built by Vicem. Ready to go well equipped Vicem 55 Bahama Bay constantly under care by her Captain; Official Volvo services done every year.

Her specification highlights are many and include:

Volvo IPS900 engines with joystick control

Humphree Interceptor trim tab system

Raymarine navigation instruments with twin glass screens and open-array radar

Air-conditioning

Onan 19kva generator

Console tender launched from cabin-top crane

Gaggenau galley

Washer and dryer

Extensive entertainment system

Three cabins with two heads including midships master cabin

Ensuite head in two of the three cabins

MANUFACTURER'S COMMENTS:

Vicem's Bahama Bay line is our first designed from the keel up around Volvo's IPS System. It offers the fingertip control, fuel efficiency, special flexibility, and noise control that IPS is widely known for. Bahama Bay yachts are modern and manoeuvrable luxury yachts, yet they are also cold molded mahogany beauties with the same Down-East style profile that Vicem is world famous for. Their low maintenance exteriors make them perfect for southern climes.

Functionally, Vicem's integration of Volvo Penta's engineering into our ocean-tested hull form allows safe and predictable maneuvering, whether at harbor speed or 30 knots. IPS' revolutionary joystick controls, combined with our full-height helm door, makes docking a pleasure. Crosswinds running against a tough tide? No problem.

The interior design is remarkable. Vicem's creative use of IPS space saving provides an unmatched layout. Very few three cabin 54 foot yachts allow a mid-ship master cabin. None allowed a king-sized walk around bed! Ours does, and still leaves ample room for an en-suite head and separate shower. The graceful merger of form and function. Once again what Vicem does best.

SPECIFICATION CONSTRUCTION

RCD Status:

The yacht conforms with the essential safety requirements of Directive 94/25EC (Recreational Craft Directive) category B

Hull, Deck & Superstructure Construction:

Hard Chine V planning hull

Cold moulded mahogany West System Epoxy

Teak laid cockpit and wide bathing platform

Insignia White AWL Craft painted topsides and superstructure

MACHINERY

2 x Volvo Penta IPS 900 engines producing 700hp each @2350 rpm

Freshwater cooling system via raw water intake and heat exchangers

Electronic throttle and engine control systems

Service & Maintenance:

Engine hours – approx. 970 as of Winter 2019

Date of last engine service –2019.

Cruising speed 24 knots

Max speed 30 knots

Range – approx 272Nm @ cruising speed

Propulsion & Steering:

IPS 2 propulsion system with joystick control

Fully hydraulic power-assisted steering system

Volvo Penta Interceptor Boat Trim System (B.T.S.)

Humphree Interceptor trim tab system

ELECTRIAL SYSTEMS

Voltage systems:

24vDC primary domestic system with 12vDC starting circuit and 24v AC via shorepower or generator.

Generator:

Onan 19MDKBV 19kva 0Hz 220vAC diesel generator

Alternators:

2x engine mounted alternators

Other Electrical:

220vAC shore power system

Automatic roll-up electric cable with remote control

PLUMBING & GAS SYSTEMS

Fresh Water:

Water is pressurised by DC high-pressure pump system

Hot & cold freshwater pressurised water supply throughout

Hot water boiler tank via engine-driven calorifier or via 220v immersion heater element.

Bilge Pumps:

DC electric bilge pumps

Manual bilge pumps

TANKAGE

Fuel:

2400 litres fuel tank capacity in 2x stainless steel tanks

Fresh Water:

995 litres water tank capacity in 3x water tanks

Holding Tanks:

270 litres black water capacity in 1x tank

250 litres grey water tank capacity in 1x tank

NAVIGATION & COMMUNICATION EQUIPMENT

2x Raymarine glass screen chart plotter with radar

Raymarine open array radar scanner

Raymarine autopilot

2x engine monitor display

Steering compass

Communications Equipment:

Raymarine Ray 218 VHF with DSC

DOMESTIC EQUIPMENT

Galley:

Gaggenau oven

Vitroceramic 220vAC ceramic stove with 4x burners

Extractor for stove

Gaggenau 4-zone refrigerator

Gaggenau dishwasher

Laundry:

Gaggenau washing machine

Gaggenau tumble dryer

Heads:

Electric vacuum flush freshwater heads in all heads

Sinks and showers with hot & cold water supply
