Airborn is Beaufort Yacht Sale's President's 3rd Caliber 40 LRC. She represents the newest thinking from Caliber and has been equipped and prepared using the knowledge of 20 plus years as a Caliber Dealer and the influence of many of our successful caliber owners. She has cruised locally and through the Bahamas. Airborn is a must see for the serious cruise oriented buyer. This boat with over a \$386,000 value is offered at a reduced price. She has all of the new Caliber upgrades and is cruise tested through the bahamas. She is well equipped and provides comfortable, safe, short-hand cruising. TRADES CONSIDERED Airborn Builder Caliber Yachts Designer Michael McCreary, N.A. Includes Bowsprit LOA 40 ft 11 in Beam 12 ft 8 in LWL 32 ft 6 in Maximum Draft 5 ft 0 in Engine Brand Yanmar Cruising Speed 6 knots Engine Hours 212 Fresh Water Tanks Fiberglass (179 Gallons) Fuel Tanks Fiberglass (212 Gallons) Holding Tanks Fiberglass (79 Gallons) Dimensions Ballast 9,500# Displacement 21,600# Engines Total Power 52 Tanks Fuel ~212 gallons (2 tanks) Fresh Water ~179 gallons (2 tanks) Accomodations In terms of accomodations, no boat of comparable size comes close to the Caliber 40. Her sleeping quarters are true staterooms, expansive and private. Instead of a cramped V-berth, there's a full with a generous offset double berth with ample storage space and drawers below; shelf and book rack over berth; and two-door large cedar-lined hanging locker and doored locker with shelf storage. The master cabin features a . Together, the forward cabin and head offer luxurious livability for extended stays. The same kind of comfort and convenience is provided in the with its double berth; large cedar-lined hanging locker; and private aft-head entrance. The is well illuminated and richly furnished in teak. It takes full advantage of 6'5" headroom and a wide beam. The result is a "living room" that's perfect for entertaining guests. Two settees offer ample seating and one of them even converts into a double berth (for a total of 7 berths). Both settees have storage under and behind, and teak cabinets over. The twin-leaf dining table folds up against the bulkhead for additional space. The is located conveniently to the cockpit. It's entrances from the aft cabin, and the salon make it accessible from either area without disturbing the other occupants. The both heads are completely outfitted with pressurized hot/cold water and shower. The is port, aft of galley featuring chart table with hinged lid, with storage underneath; chart light; electronics cabinet; breaker panel; nav. seat with storage under. Beautiful teak and holly floor throughout, and multiple

handrails.(2) Skylights with slide-away shades and screensInterior hull battens in main salonForward cabin vanity was raised and custom shelves added (by the factory when built)Additional shelf installed (by factory) above nav. stationAdditional hand hold in aft headCombination red/white interior lightsExtra reading light in fwd. berth(3) Alpenglow overhead lights, 9 watt, dual power & night vision(2) Cafra fans, 12V, 2-speed, with remote switchesGalleyAny cook would appreciate this large and efficient L-shaped galley. It has ample storage for food and utensils, and more than enough counter space to prepare multi-course meals.Double stainless steel sinks, near centerline (optional small & large size)Hot & cold pressure water2-Burner propane stove with oven with optionalcutting board for stove and cutting board storageFrigoboat keel cooled freezer w/ refrig. spillover fan system, 12V with vertical ice-traysSeagull X-1F IV water filterCorian countertops in galley & headsCorian inserts for sinksStorage rack for Corian sink inserts (also makes an excellent divider that keeps stove from splattering into the nav. station)6 Gallon hot water heater, 110V, Inverter, and engine driven,custom auto hot water once solar tops off batteriesManual freshwater foot pumpSafety bar in front of stoveHide-away trash binMicrowaveAdditional fold up/down counter extensionGalley foot pump w/ Y-valve for salt or fresh waterExtra propane tankDeck & HullCaliber's trademark* design incorporates a Multi-Bulkhead Bonding System*, an Integral Strength-Grid System* for strength and safety, integral baffled tanks act as double bottoms while adding tremendous rigidity to the hull structure, with additional strength from the integral sub-sole. Additionally, there is a Water-Tight Collision Pocket*.This boat is equipped with Caliber's that features a "Smart" motor lift with custom brackets, Triton motor mount, "Smart" dinghy davits, and "Smart" bimini support system.
