For sale by her second owners, this mint condition Sea Ray has had both engines replaced with longblocks, the interior has been redecorated, all systems updated and the boat has been recently waxed. The owners bought this boat to see if they liked Florida boating - They LOVE it and the boat has become the focus of their lives - So much so that they want to sell this boat and buy a larger one. This was an exceptional boat when they bought it and they have done nothing but make it better!

Don't be afraid to make an offer - Seller is anxious to move up!!!

Possibility of trading up for a 45-55' Aft Cabin Motor Yacht, preferably with cockpit
