Vessel Walkthrough

The master stateroom is forward and features a centerline tapered queen berth, private head with stall shower, quilted bed cover with pillow shams and decorator throw pillows, separate A/C control panel, Sharp Aquos flat screen TV, remote stereo speakers, CO detector, smoke detector, opening portlights port and stbd with mini blinds, overhead storage lockers with storage shelf above, port and stbd, opening overhead hatch with privacy screen, reading lamps over berth, mirrored bulkhead forward, indirect mood lighting, hanging lockers port and stbd, and large drawer below berth.

Aft of the master is the salon area. To port is a large U-shaped settee with adjustable cocktail/dining table, storage below settee, storage lockers above, CO and smoke detectors and opening portlight with mini blind. Aft of the settee is the low profile U-shaped galley.

Aft of the master to stbd, across from the large settee, is a smaller settee for two with storage below, hideaway flat screen Panasonic TV above, Bose surround sound stereo system and AD/DC inlet panels in overhead lockers. Aft of this area is the combination guest stateroom with crossover berths, storage lockers and drawers and access to the day head with shared head/shower compartment and sink with vanity. This cabin also houses the Splendide 2000S combination washer/dryer, a Sharp Aquos flat screen TV, opening portlight and includes its own A/C control panel and CO and smoke detectors.

The interior of the boat features Tiara's finely finished signature teak wood, with a teak and holly sole throughout.

Aft and up three steps to the enclosed and air conditioned helm area with a double Stidd helm seat and wet bar with fridge to stbd and a raised double lounge seat with table to port. This area features a permanent hardtop with fixed windows to front and sides, two opening overhead hatches with privacy screens, electric opening windshield vent, chart storage locker, storage areas under the seats and engine room access hatch. The three companionway steps up from the salon area below are hinged and include storage bins and access to the main electrical breaker panel. Access to the boat's interior is through a sliding plexiglass hatch that also includes a sliding screen for fresh air ventilation.

Aft and out to the cockpit area featuring fore and aft facing bench lounge seats, electrically operated hideaway cocktail/dining table, dual transom gates, swing up engine room access hatch, and fresh and salt water washdowns. Aft through either of the transom gates to the oversize swim platform and electrically operated storage "trunk."
